Dear Mr Harvey,

**Re: Commons Act 2006 – Section 16 CL74  
Proposed exchange of Common Land at:  
Mynydd Pysgodlyn and part Graig-y-Bedw, Pentwyn Mawr, Banc Myddfai, Garn  
Fach and Banc Darren Fawr (CL74) in the Community of Mawr, City and County of  
Swansea**

I wish to **object** to the above proposal for exchange of land. This exchange of land would have a detrimental effect on the common and surrounding communities and is not in the public interest.

1. The exchange land, which is very different to the common, would not compensate for the loss of tranquility and wilderness of the open common moorland, which is valued by the commoners and visitors alike.
2. The enjoyment of the general public would be severely disadvantaged, not least by interruption of access across the heart of the common.
3. The land in question is nothing like the common it is proposed to replace, which means it will not support the same wildlife that relies on the common.
4. The proposed exchange will not assist, and indeed may hinder, the protection of archeological remains and features of historic interest on the common.

I urge you to refuse this application.

Yours sincerely,

.....
